

appropriation act for the fiscal year 1932, payable in like manner as other appropriations for the District of Columbia for the fiscal year 1932 are paid: *Provided*, That the appropriation of \$80,100 contained in the District of Columbia appropriation act for the fiscal year 1932 for purchase and installation of electric traffic lights, etc., office of the director of traffic, shall be available for similar expenditures under the department of vehicles and traffic, District of Columbia (act February 27, 1931).

The act approved February 27, 1931, amends the District of Columbia traffic acts of March 3, 1925, and July 3, 1926, to include provision for the registration of motor-vehicle titles, and for the establishment of a department of vehicles and traffic. The purpose of this estimate is to enable the commissioners to obtain the additional personnel that will be necessary in order to provide an efficient organization for carrying the act into effect.

This supplemental estimate of appropriation is necessary to provide for legislation which has been enacted since the transmission of the Budget for the fiscal year 1932, and its transmission to Congress is recommended.

Very respectfully,

J. CLAWSON ROOP,
Director of the Bureau of the Budget.

The PRESIDENT.
